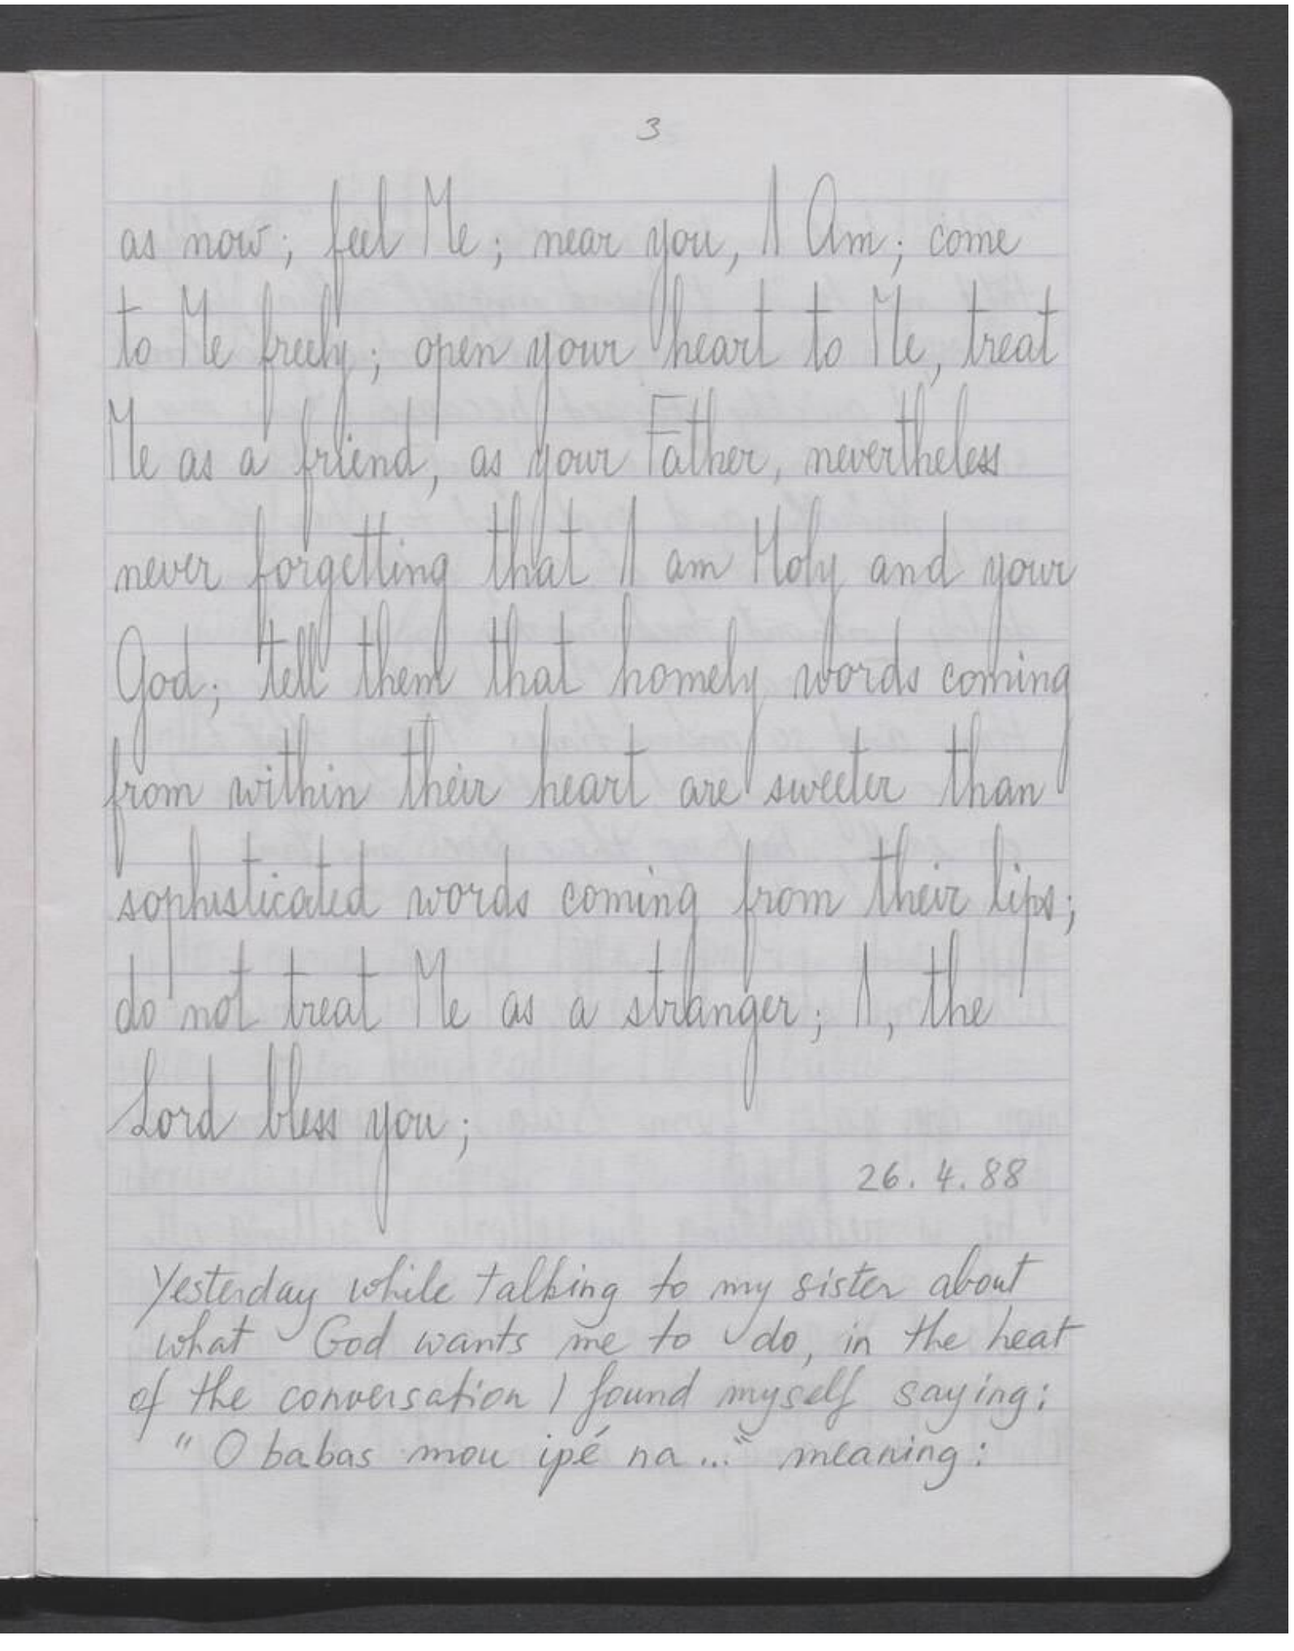
(I've read as usual the 3 prayers and twice
'glory be to God' was said:) My God
is it really You?

I Am; daughter, in spite of your incapa-
city to fathom My gifts I pour upon you,
I love you boundlessly; live for Me;
have Me as first; My House is in ruin,
Vassula, I want it rebuilt; I will show
you how; Love desires love; talk to Me



as now; feel Me, near you, I Am; come
to Me freely; open your heart to Me, treat
Me as a friend, as your Father, nevertheless
never forgetting that I am Holy and your
God; tell them that homely words coming
from within their heart are sweeter than
sophisticated words coming from their lips;
do not treat Me as a stranger; I, the
Lord bless you;

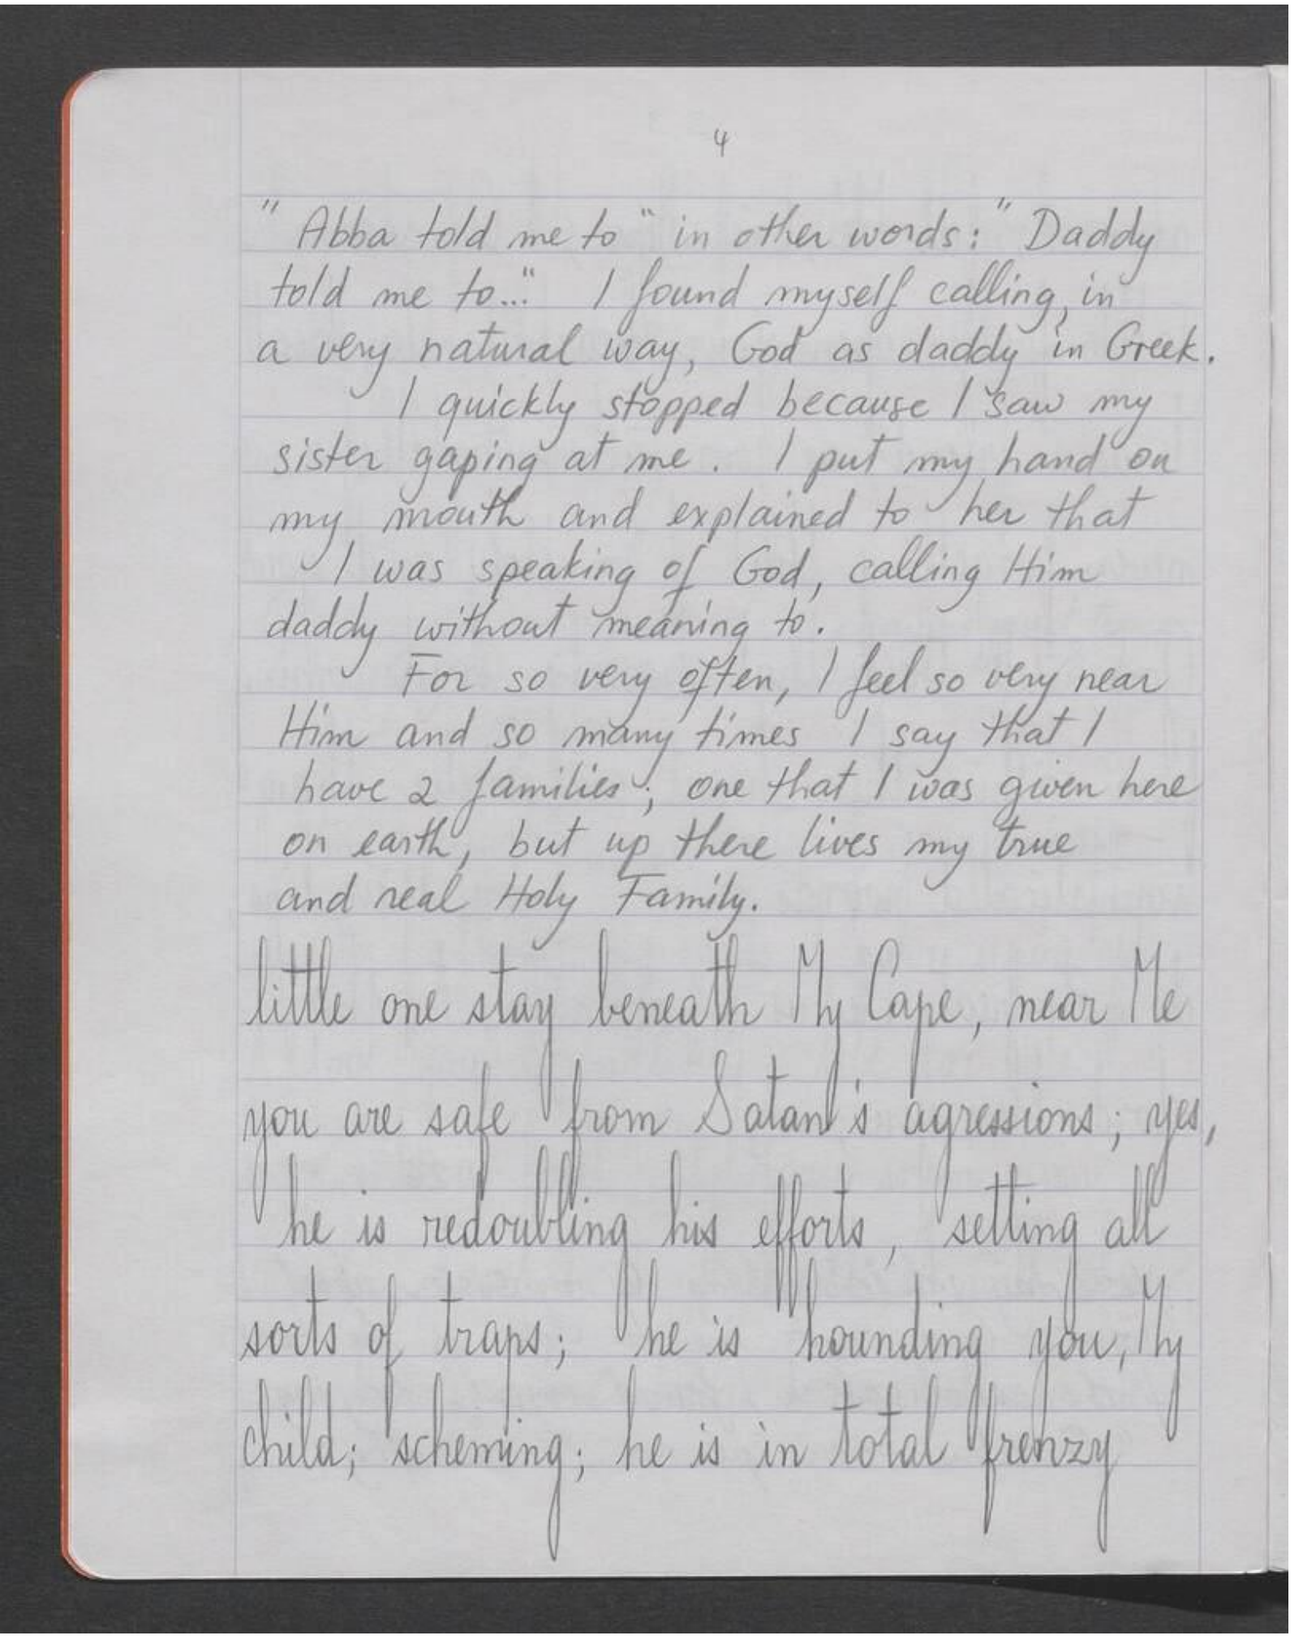
Yesterday while talking to my sister about
what God wants me to do, in the heat
of the conversation I found myself saying:
"O babas mou ipé na..." meaning:



4

"Abba told me to" in other words: "Daddy told me to..." I found myself calling, in a very natural way, God as daddy in Greek.

I quickly stopped because I saw my sister gaping at me. I put my hand on my mouth and explained to her that I was speaking of God, calling Him daddy without meaning to.

For so very often, I feel so very near Him and so many times I say that I have 2 families; one that I was given here on earth, but up there lives my true and real Holy Family.

little one stay beneath My Cape, near Me you are safe from Satan's agressions; yes, he is redoubling his efforts, setting all sorts of traps; he is hounding you, My child; scheming; he is in total frenzy

These days Satan is constantly attacking me;
whispering in my ears that nothing will
come out of this revelation, making me
forget all the good it has done already and
is still doing. He made me lose my sense

of reality; my confidence he took away
throwing it far away. He veiled the
love I have for the Lord so that this great
love I have for Him appears blemished.
He gave me images of the world and of
how real it is, whereas how false and
unreal is the spiritual world. He gave
me agonies and mixed up my thoughts,
confusing me.
The Lord had warned me; the more His
revelation grows, the more Satan's efforts
of stopping everything grow. I know it is
Satan since he leaves my soul unconsoled
and in despair.

and the prayer to our Blessed Mother,
St. Michael praised God.)

I Am; I am the Revelations, Vassula,

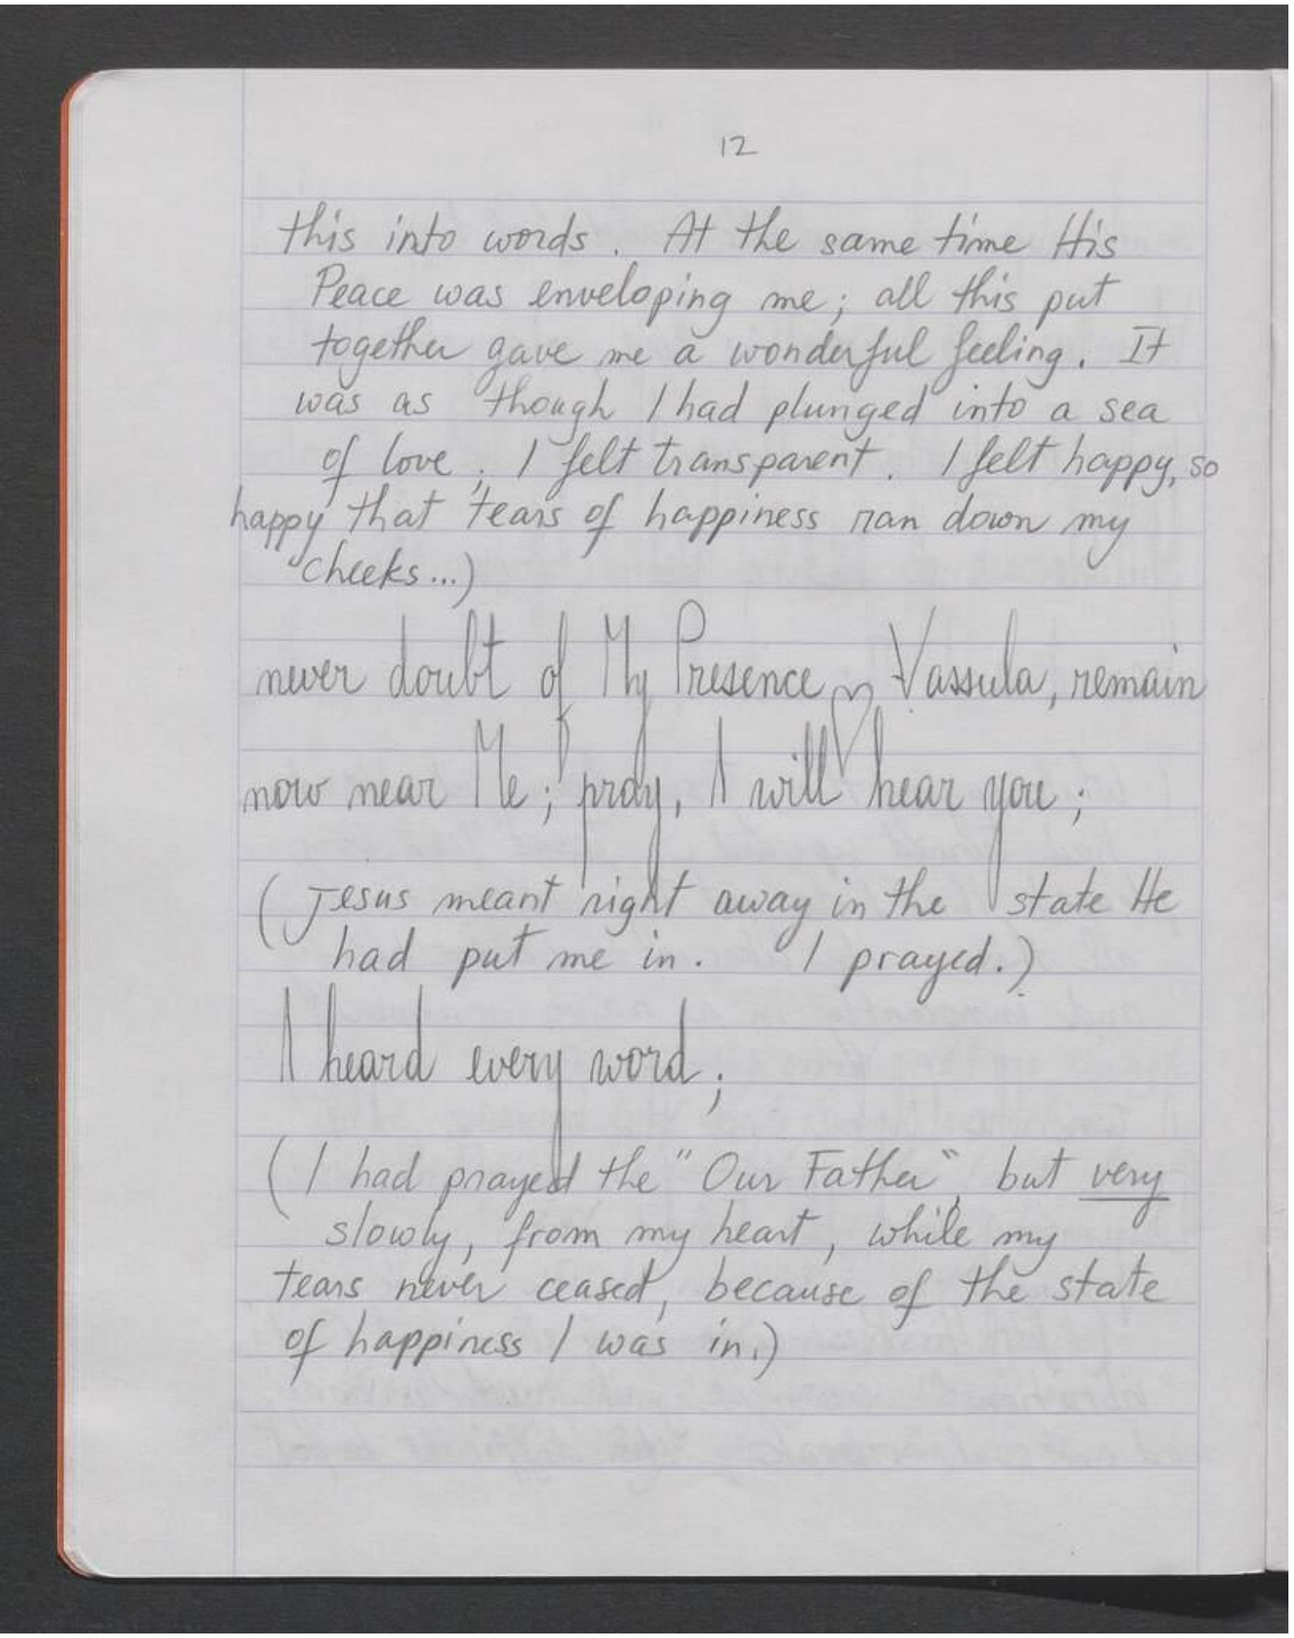
All is alive and it's wonderful!)

Vassula, all I want is love; glory be to God for teaching those things to mere children and hiding them from the learned and the wise;

(While saying this, Jesus' beautiful Head had turned upward. Jesus felt very pleased that I do not try to rationalize all this. He likes us to believe blindly and innocently in a naive manner.)

I am the Alpha and the Omega, the Beginning and the End...

(I felt His Presence so very strongly! God's "vibrations" were making my whole body, mind and soul "vibrate"; it's difficult to put



this into words. At the same time His Peace was enveloping me; all this put together gave me a wonderful feeling. It was as though I had plunged into a sea of love; I felt transparent. I felt happy, so happy that tears of happiness ran down my cheeks...)

never doubt of My Presence ♡ Vassula, remain now near Me; pray, I will hear you;

(Jesus meant right away in the state He had put me in. I prayed.)

I heard every word;

(I had prayed the "Our Father" but very slowly, from my heart, while my tears never ceased, because of the state of happiness I was in.)

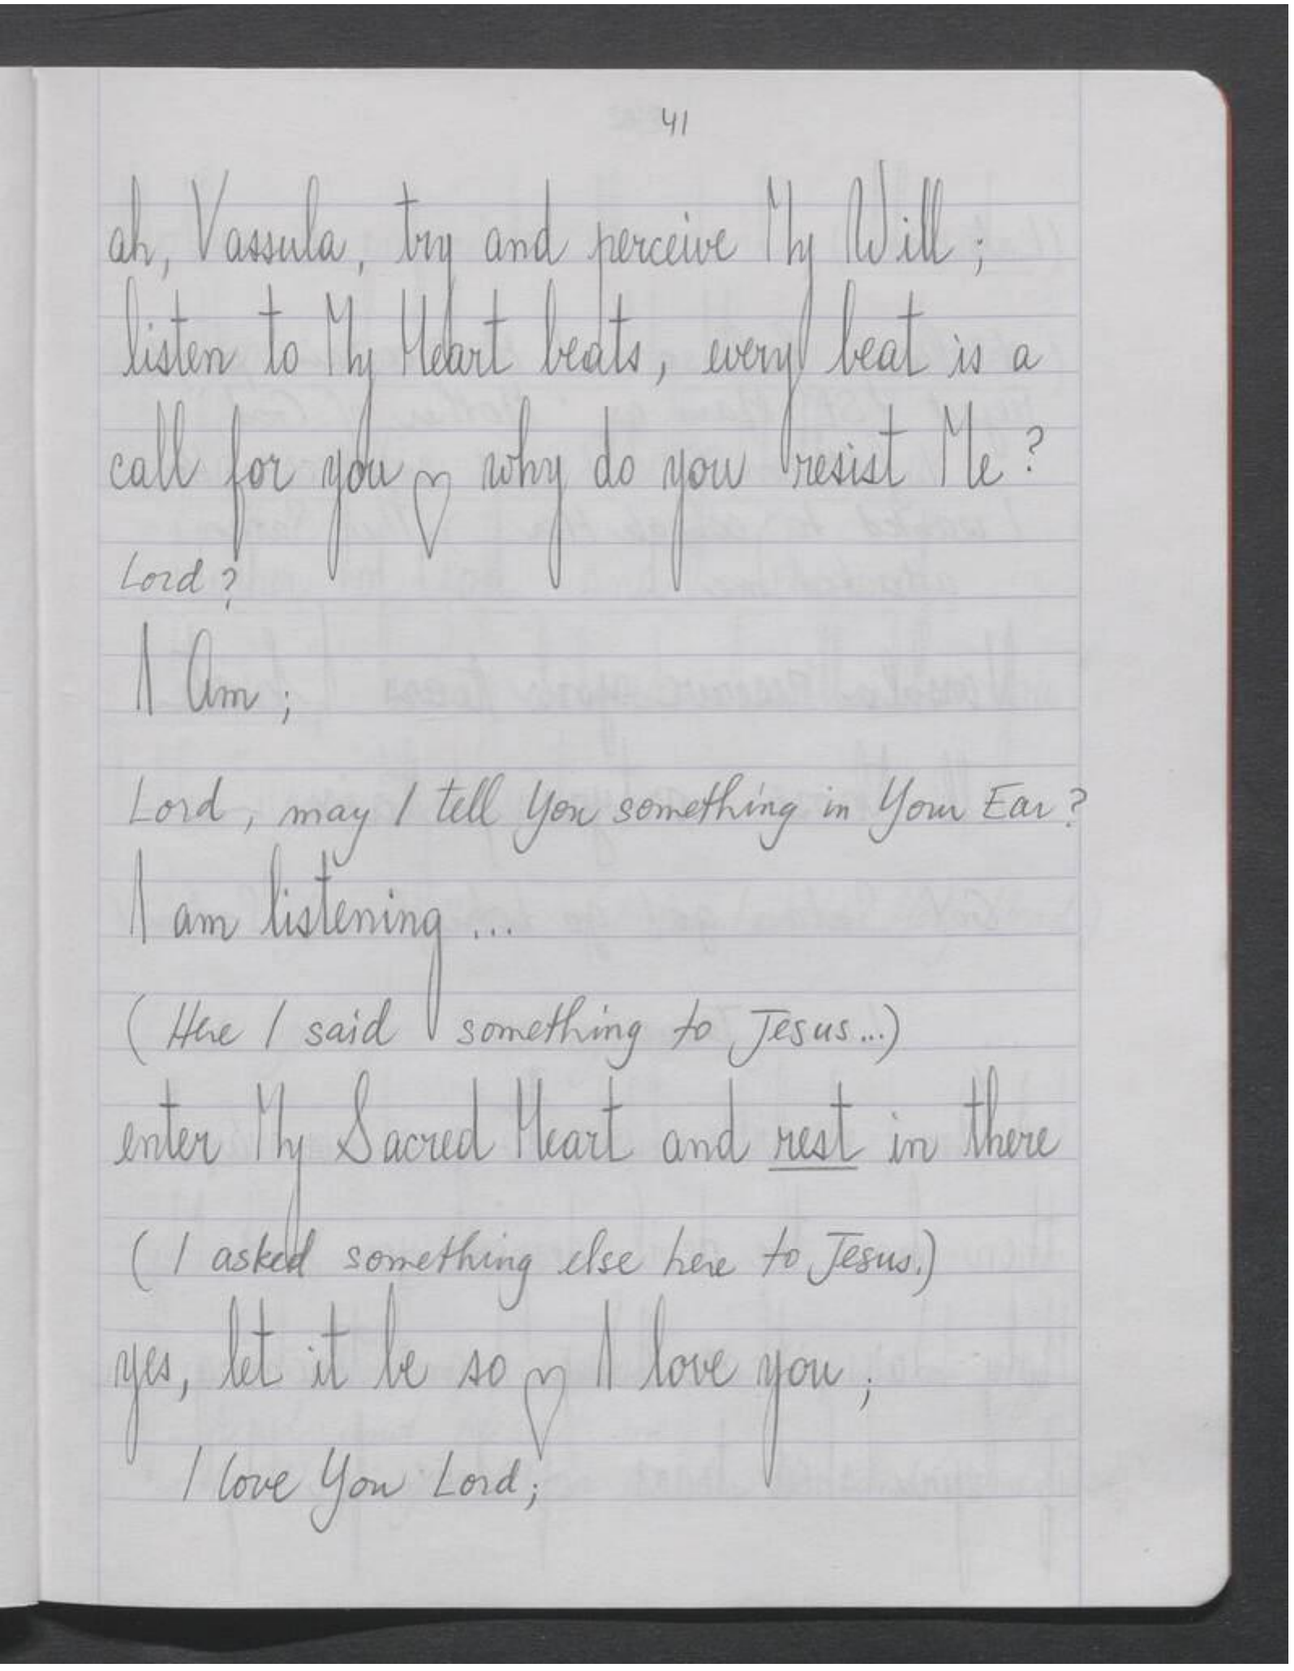
(Jesus pointed to His Heart with
His Index finger)

O come! I have been
calling you ever since you were born! I
have reserved a place for you, Vassula!
Vassula!

Lord! I have given You my heart
already, my life, all is Yours!



41

ah, Vassula, try and perceive My Will;
listen to My Heart beats, every beat is a
call for you ♡ why do you resist Me?

Lord?

I Am;

Lord, may I tell You something in Your Ear?

I am listening...

(Here I said something to Jesus...)

enter My Sacred Heart and rest in there

(I asked something else here to Jesus.)

yes, let it be so ♡ I love you;

I love You Lord;

(Later on...)

(I always feel so sad that certain people
reject St. Mary as 'Mother of God',
I felt terribly sad and wept over Her.
I wanted to console Her ...) Then Satan
attacked me

Vassula reserve your tears I hate
all those martyrs putain --

Go! Satan go! go behind me, Satan!

... Lord Jesus?

I Am; I will show to you now and
then how the devil despises you and My
Holy Ways, those Ways I am teaching you;
if you shed tears of Love for My

He showed me His Face of agony on the Cross, bruised, black and blue, covered with sweat and blood. His hair stuck together with blood and His eyes filled with His blood from His pierced forehead. these souls are attached to the world,

here and there from the harvest,
devouring and ravaging as much as
possible, if it was not for the sower

his servants to chase away those crows,
they would have devastated the entire

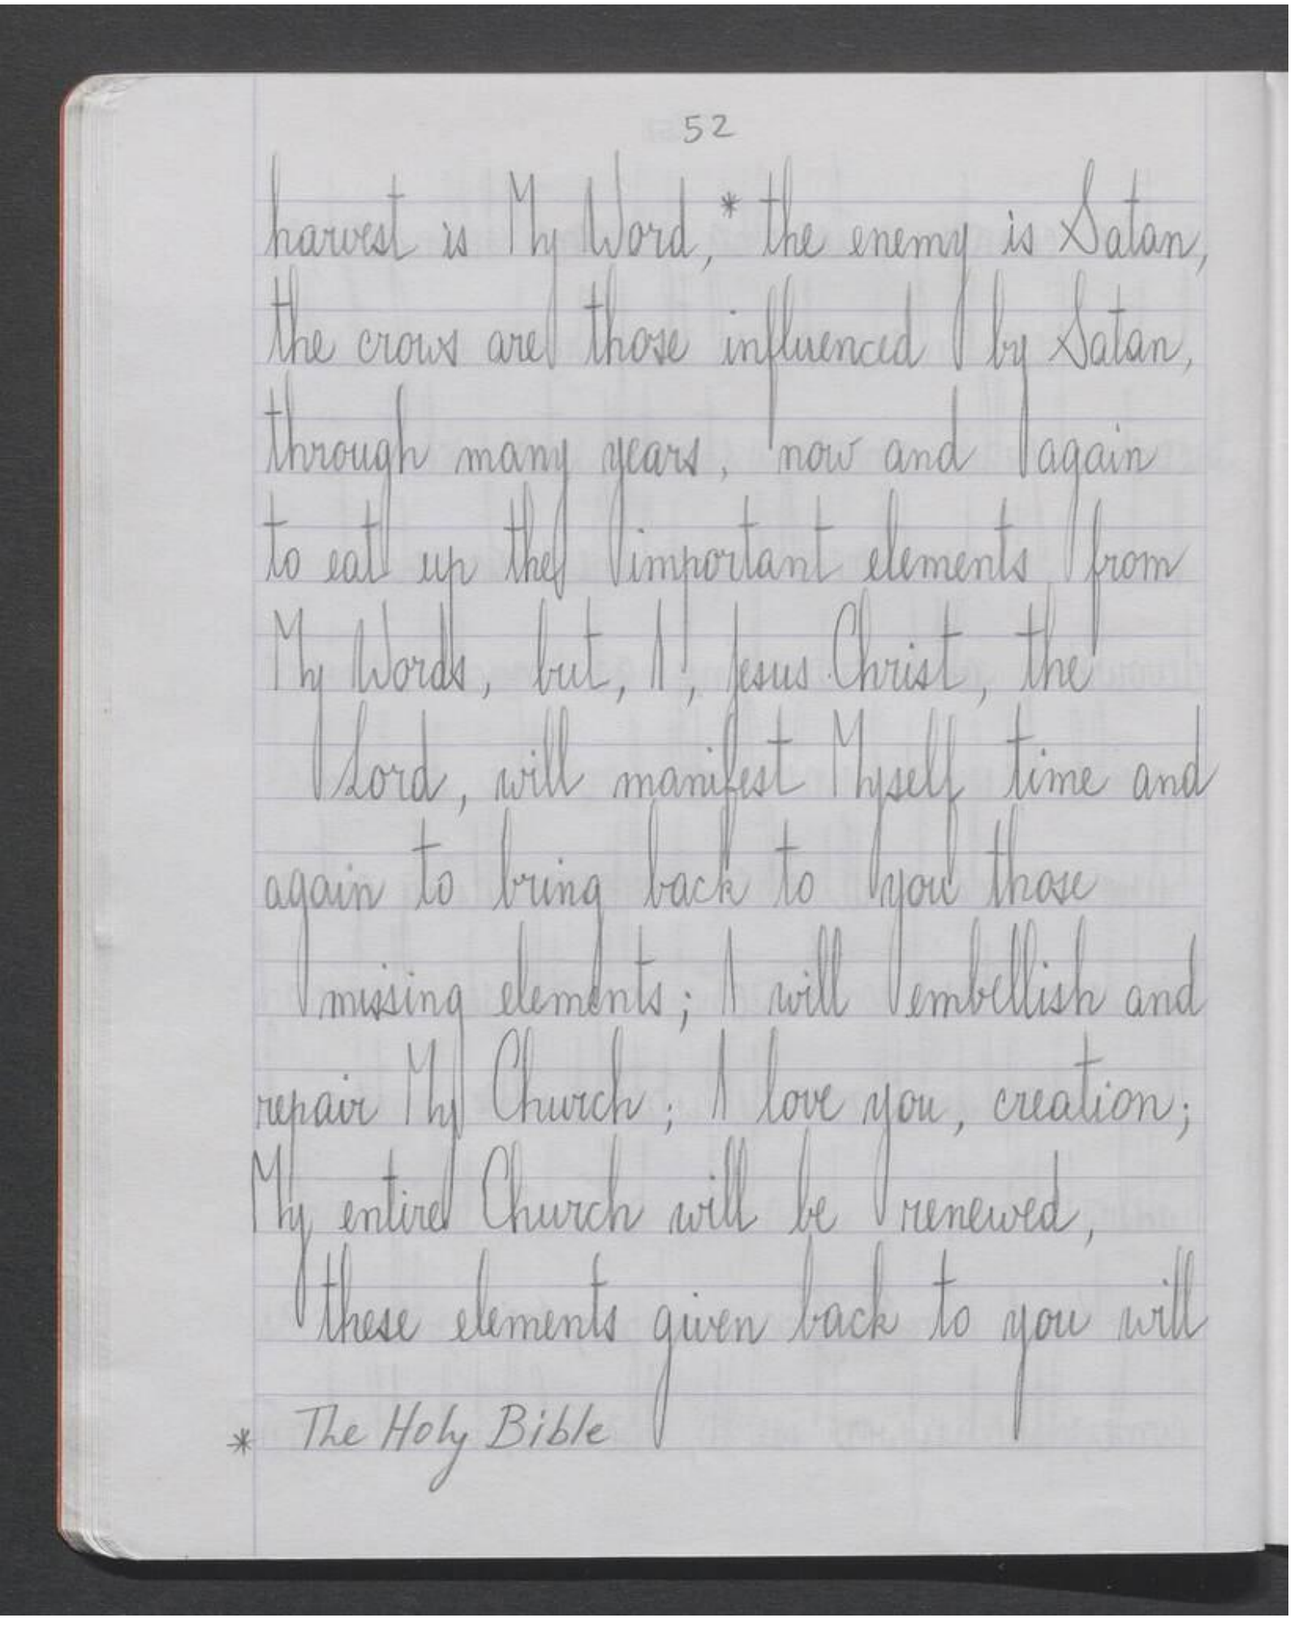
Lord, will You now explain, please?

come, the sower is I, the Lord, the



harvest is My Word,* the enemy is Satan,
the crows are those influenced by Satan,
through many years, now and again
to eat up the important elements from
My Words, but, I, Jesus Christ, the
Lord, will manifest Myself time and
again to bring back to you those
missing elements; I will embellish and
repair My Church; I love you, creation;
My entire Church will be renewed,
These elements given back to you will

I have given him this name which he
will keep; I will enter My Temple just as I
had done whilst on earth and with My
Belt-of-Integrity strike all those impostors,
I will enter with force and overthrow all
the money-worshippers ♡ I will enter
Jerusalem so that the New Jerusalem can
begin to see the Light; I will sweep
away those blocks and open the Way,
